Anritsu Site Master™ Certification Class

Talley Communications is proud to host an Anritsu Site Master™ Training Course. This intense two-day event will focus on RF line sweep theory and technology. The class will be on September 29-30, 2009 from 8:00 a.m.-5:30 p.m. on both days (lunch will be provided). The cost of the class is \$1,350 per seat and will be held at:

Holiday Inn - Olathe
101 W. 151st Street
Olathe, KS 66061
913-829-4000 (call for directions)

Each attendee will learn:

- Technical aspects of line sweeping
- How to set up line sweep
- The effects of cable lengths, type and system components have on sweeps
- The effects of sweep rates and frequencies
- How to pinpoint faults
- How to identify, locate, document and resolve cellular/PCS cable – transmission line faults

Register now to attend this class (Fax to 800.530.8821 or e-mail to jsoto@talleycom.com)
