TALLEY COMMUNICATIONS CORP ANNOUNCES AN EXPANSION TO DALLAS, TEXAS

SANTA FE SPRINGS, CA (February 21, 2008) - Talley Communications Corp. announces the opening of a new warehouse and sales facility in Dallas, Texas on March 3, 2008. The new facility will expand Talley's logistic footprint to seven locations.

This facility's primary focus will be to service contractors and carriers in the south central region of the United States. Andrew as well as CommScope cable and accessories will be stocked along with all necessary site hardware including tower steel, components and consumables.

"Our company has been fortunate to have tremendous support over the past 25 years from our vendors and customers. This support along with our interest in carrying our service model into new markets has our organization excited about this new opportunity," says Mark Talley, President of Talley Communications.

"The facility is being staffed with a combination of Talley experience, with the transfer of Rob Bajuk and Michelle Black from our other facilities, and local industry veterans like Dave Harris, who has serviced the south central market for over 20 years," says Hal Wooden, Vice President of Talley.

The Dallas facility is located at: 1815 Monetary Lane, Suite 150, Carrollton, TX 75006. The direct phone number is 972.245.3100, fax: 972.245.3133, toll free 800.949.7079, e-mail: sales@talleycom.com.
