

## OSHA General Industry / RF Safety Certification Course

Talley Inc. is proud to host an OSHA 30 hour General Industry/RF Safety Course. This 30 hour, four day course is required training for employees and sub contractors in the telecommunications industry who may encounter RF fields or RF exposure. The course will cover regulations and RF standards, types of radiation and field effect. As well as Maximum Permissible Exposure (MPE) at RF sites, Hazard Assessment, Lock-out Tag out procedures and personal protective equipment.

Registrations can be submitted for the **10 hour** course with a cost of **\$200** or for the **30 hour** course with a cost of **\$300**, the course will be held at:

Talley Inc.  
 12976 Sandoval Street  
 Santa Fe Springs, CA 90670

Each attendee will learn:

- RF Site Safety - Hazard Assessment
- Protective Equipment Use - Including Personal Protective Equipment for Eyes, Face, Head and Extremities
- FCC and OSHA Regulations
- Safety and Health Programs
